

CXT® multi purpose buildings are engineered and designed for long life in extreme conditions. Some uses include storage, utility, office or concession buildings.

- Built to Look Great and Designed to Last
- Simple to Install and Ready to Use
- Easy to Maintain and Vandal Resistant
- Pre-Engineered
- Tougher Than Kits, Block or Steel

STANDARD FEATURES

- Barnwood texture walls
- Cedar shake textured roof
- 3068 steel door
- Wall vent

MULTI PURPOSE BUILDINGS

UTILITIES

- Pre-wired, pre-plumbed and tested before shipping to meet local code requirements.
- Concealed within the chase/storage area for easy hook up and maintenance, and to reduce vandalism.

HOOK UP AND INSTALLATION

- Minimal site work is required.
- Water, sewage and electrical utility lines are stubbed up through the prepared base material to match up with the utility blockout within the floor of the chase area.
- Hookup of the three utility lines can be completed in a matter of hours.

- Meets UFAS, ADA and California Title 24 requirements
- Vandal resistant building and toilet components
- 4" thick steel reinforced concrete walls
- 5" thick steel reinforced concrete roof and floors
- Quick installation and hookup at the job site
- Will not rot, rust or burn
- Easily cleaned with a brush and warm soapy water
- Available in 28 different colors
- Custom textures and colors also available
